Captain's Corner

What was your favorite memory?

New Rules:: Must wear face-coverings, 7 v 7, no penalty corners, no bullies, all players must be 5 yards away during free hits

STICKS AND TRICKS

WARRIORS RISE UP

Favorite Drill

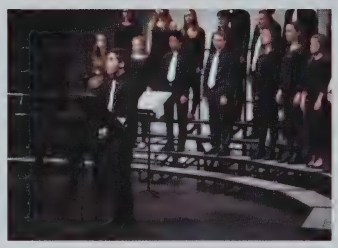
"My favorite drill is the Oklahoma drill. There is a defensive player and an offensive player standing about 5-10 yards apart, and the offensive player has the ball. Then, when the whistle is blown, they run full speed at each other, and the defender tries to stop the running back from getting to the end zone." -Adam Goodfellow

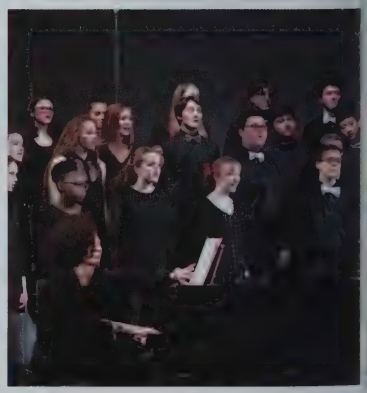
Captain's Corner

"The guys on this team are the best teammates and friends anyone could ask for. Despite the toughest and most unusual year, we came together, worked our butts off, and made the most of a very unusual season and year. I'm going to miss grinding it out each and every day with these guys." - Nick Dresens

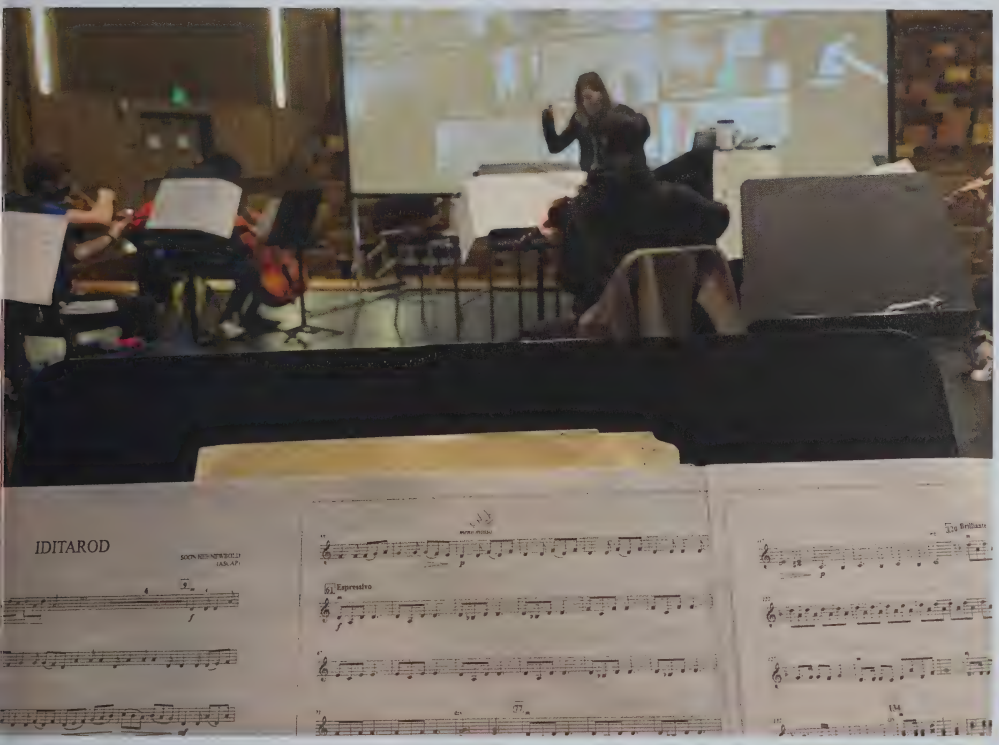
"The last four years of have been some of the best experiences in high school. The coaches and players all care about each other which makes the experience so great. Everyone on the team pushes each other every year, and I am so honored to be one of the captains of such a great organization." -Shane DeRubis

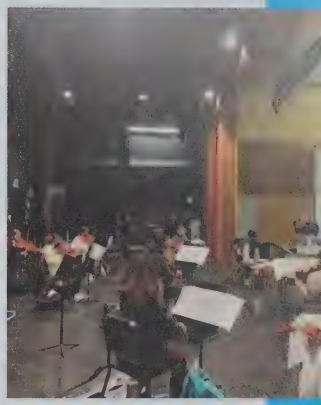
HIGH NOTES





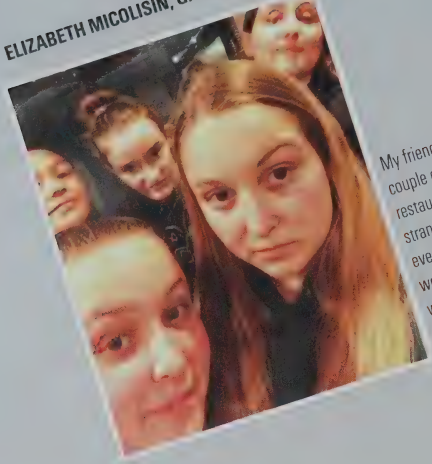
*Many chorus photos from 2020





ON ANOTHER NOTE

ELIZABETH MICOLISIN, GRADE 12



My friends and I went to IHop a couple days before all of the restaurants/school closed. It is so strange to think that we didn't even know that the next time we would be in a restaurant we would have to be socially-distanced+ in a mask.

CHARLOTTE SALITSKY, GRADE 12

This photo is of Jay Provost, Charlotte Salitsky, and Josh Schreiber posing in Spanish class. Our friend, Talia, had just downloaded an app that works kind of like a polaroid camera meaning that she'd blindly take the photo and then it would "develop" 24 hours later. This picture is from March 6th.

AMY MCCORMACK, GRADE 9

My Nana used to come over almost every Wednesday before quarantine, but I've only seen her a few times since.

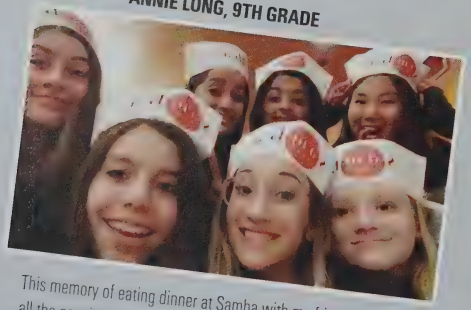
SOPHIE ELLENBOGEN, GRADE 11

Students and new alumni spending time in the media center. Fun bonding among grades!

SAMMY JOHNSON, 1TH GRADE

Members of the WGVBB team get pumped up for their first playoff game of the season against Hopkinton

ANNIE LONG, 9TH GRADE

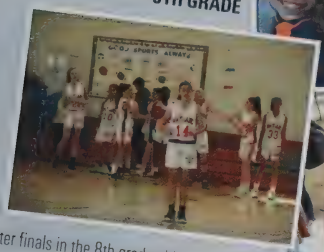


This memory of eating dinner at Samba with my friends brings back all the positive experiences from the winter and how different my life was. This photo is from the beginning of March, around the time when my school basketball season ended. It was a nice celebration: a busy season coming to an end.

ANDREW BOYER, 11TH GRADE

I made dumplings for my friends as part of my Chinese project. We were all sharing food. This may never happen again!

ANNIKA MARTINS, 9TH GRADE



The quarter finals in the 8th grade girl Metrowest division championship.
Ava and I after our team won the game to advance to the semi-finals.
A group photo of Tasha, Kyra, Jenny and Annika in front of the sunset.

BEN DUGAN, GRADE 9

We don't take too many pictures, so this is from a February Boy Scout Court of Honor where I earned the rank of Life Scout, earned 3 eagle required merit badges, and was elected to the leadership position of Senior Patrol Leader.

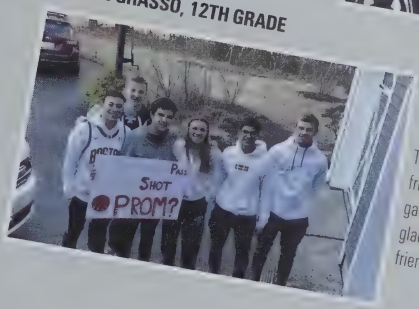
SOPHIA OPPENHEIM, 10TH GRADE

This is my last normal photo of me before entering the quarantine it was March 7th. Me and my friend Emily (right) were on a ski trip at Loon Mountain with our friend Charlotte. We had no idea less than a week later we wouldn't see each other for months.

EMILY CHAU, 11TH GRADE

This is me eating brioche and my friend Lily Noyes eating a croissant on the french immersion trip at Acton Boxborough from back in March. It was one of my last fun memories in school before quarantine

BRIAN GRASSO, 12TH GRADE



This was my promposal to Abi with all of my friends right before the varsity basketball playoff game. Even though prom was postponed, I'm glad I was able to prompose with all of my friends before everything got shut down.

SAMUEL GOLDSTONE, 12TH GRADE

At the Lakeland Debate tournament in early March, Aiden Zhang and I qualified for nationals by winning the tournament. During the trip, Allen Zou, Atharva Weling, Misha Boyko and Andrew Boyer shared a milkshake.

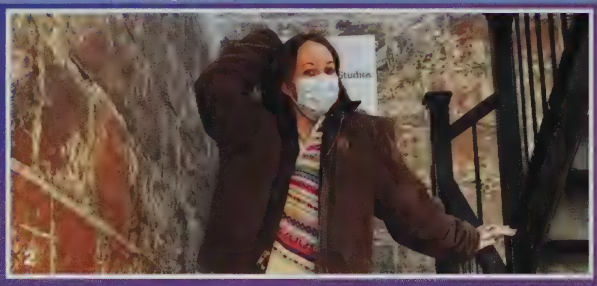
2020 REWIND

3. Aquarium

The New England Aquarium is a great place to see the seals and other aquatic animals right on the harbor.

2. SoWa

The SoWa Neighborhood is a fun place to look at galleries and great for designers.

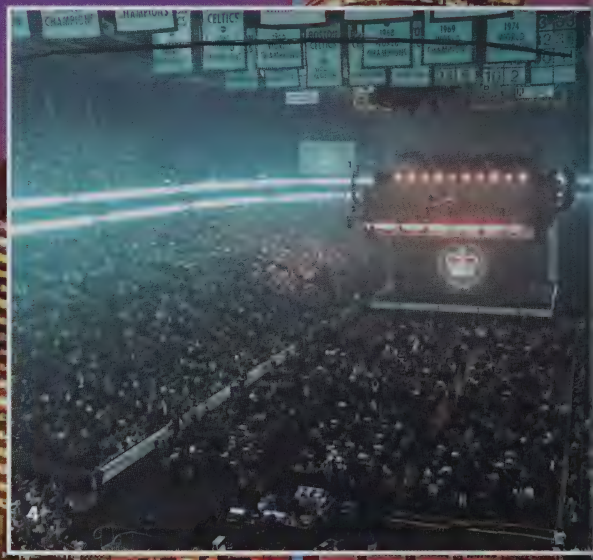


1. On the Waterfront

The Boston Harbor provides great photo opportunities for students and their friends.

4. Visit TD Garden

Although most games and concerts were cancelled due to COVID-19, TD Garden is a great place to spend time with family and friends and to attend your favorite sports games or concerts.



5. Prudential

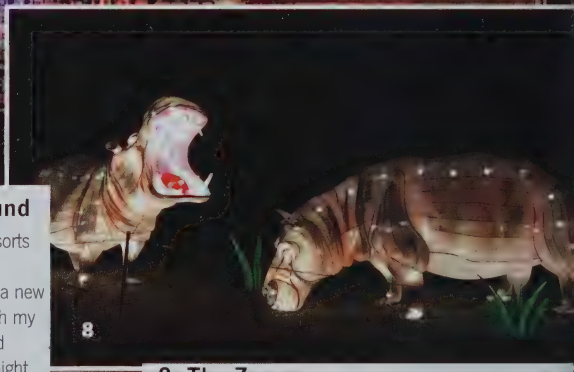
The prudential is a great place to shop and get some food.

6. Public Garden

It is very fun to walk around the Public Garden, and there are many good photo opportunities too!

7. Walk Around

I loved going to all sorts of bakeries and restaurants and try a new thing every time with my cousins. I also loved walking around at night past bars and pubs with the string lights that look like stars and seeing a bunch of people.



8. The Zoo

The Franklin Park Zoo is a great Boston spot to visit many animals, such as Lions, Giraffes, and Gorillas. They also had a light show this past year with many animal sculptures.

9. Go to the MFA

I love to go the the MFA to look at all of the artwork.

10. Walk around Seaport

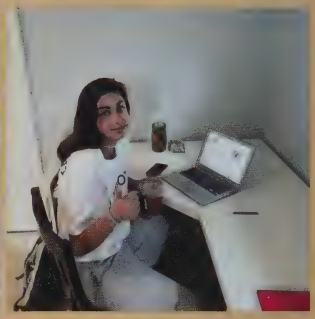
It is super fun to walk around the Seaport District, especially when it is cold.

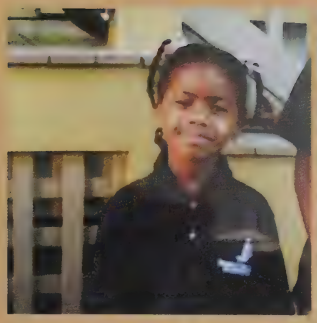
10 things
you must do in BOSTON

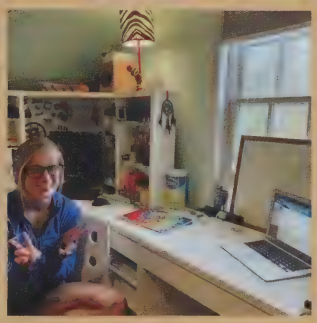
Boston is one of the greatest cities in the United States and there are so many fun things to do. Wayland High School students share what their favorite things to do in Boston are.

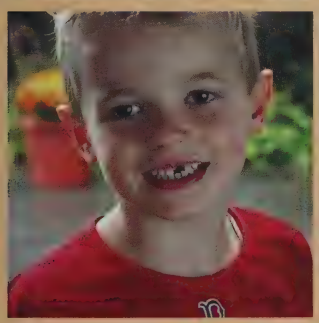
THEN & NOW

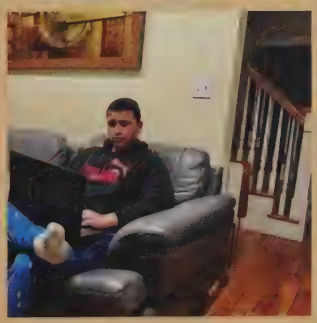
Seniors on their first day of kindergarten











THEN

This was everyone's first year of Wayland schooling and so no one knew each other. This was the year that friendships were being born. This was also the first day of school, which meant being in a classroom with other kids learning, albeit the alphabet and colors instead of calculus and history. Kindergarten also brought changes in terms of classes: gym class consisted of Mr. Berry doing gymnastics with the groups. Looking in the picture, every kid looks so much younger and you can tell that the fashion sense is very different now. The backpacks were bigger than us. For many students, Kindergarten was the start of their time in Wayland and the start of decade-long Friendships!

NOW

Fast-forward 12 years and everyone is a senior now. Those relationships that we started in Kindergarten are full-blown friendships that will hopefully continue into college. We have been through a lot as a group and grown together. We were briefly separated in Elementary School but brought back together for Middle School and High School. Now, we are beginning our last year on our computers in home clothes. The journey is almost complete and we are off to college. While COVID threw us a curve-ball and we could not spend our first together, we are connected as a class. Go Class of 2021!

TAKING CHARGE

The fall 2020 season for the girls varsity soccer team was unlike any other this year, with strict COVID-19 restrictions causing a delay in the season. Nevertheless, this year's captains, seniors Tali Wong, Abby Gavron, and Ellie Tyska were able to overcome these challenges and were even more grateful to be having any season at all.

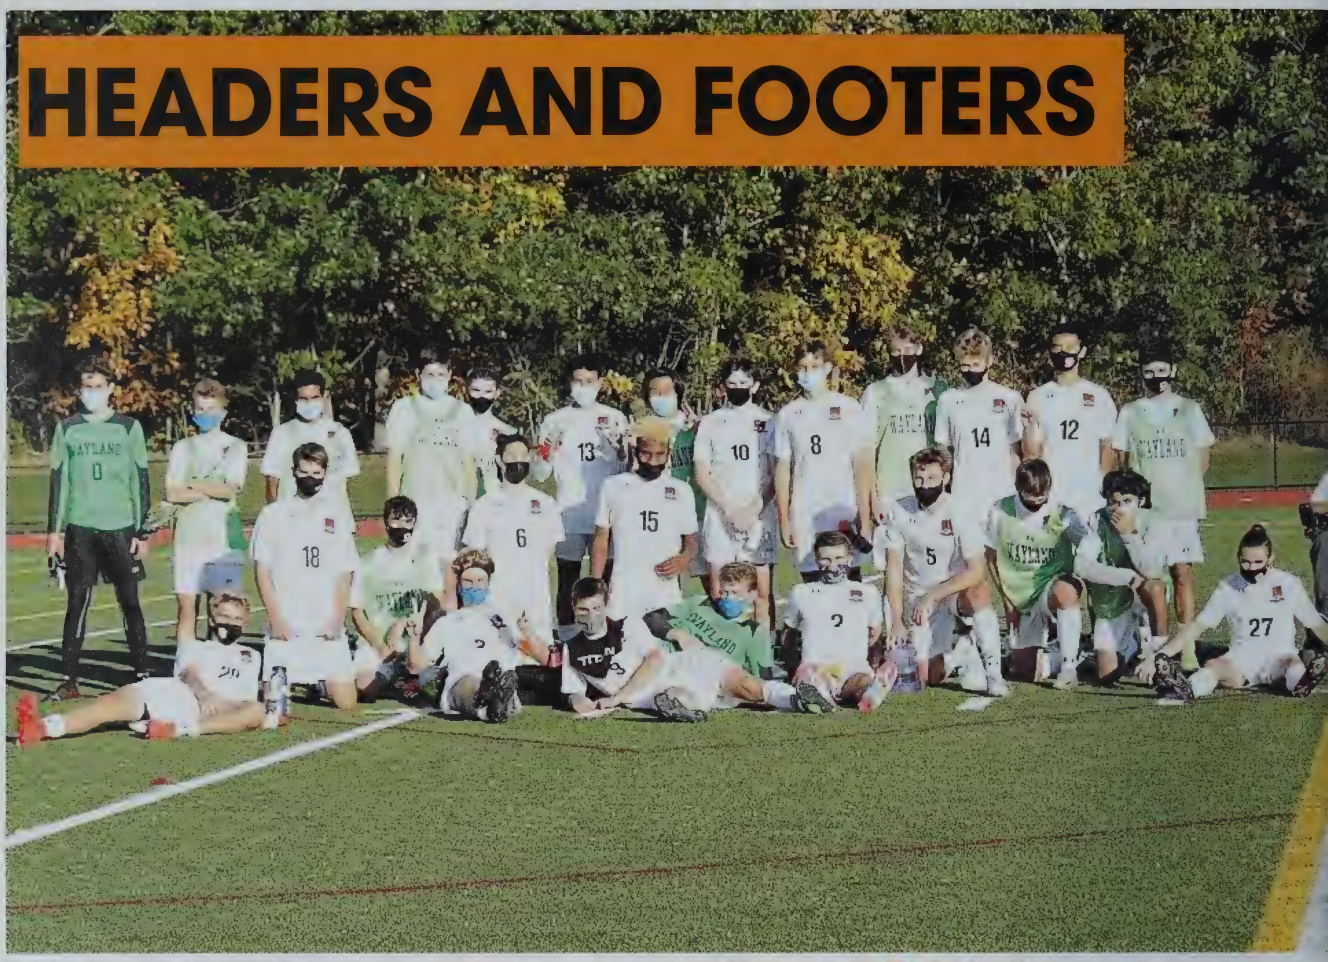
Tali Wong
"WGVS for the past couple of years has truly been a second family. We were all so grateful and lucky to have a season this year, and it was definitely a special one."

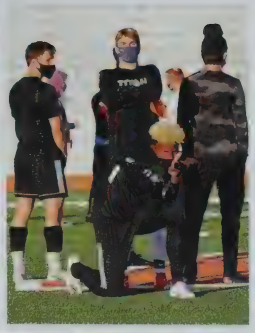
Abby Gavron
"I was so fortunate to have a season this year. WGVS has given me the best four seasons of soccer and I love all of my teammates."

Ellie Tyska
"When I heard the season was on this year, I don't think I've ever been happier. I was so thankful that I was able to finish my senior year on WGVS."

CAN YOU KICK IT?

HEADERS AND FOOTERS





MEET THE CAPTAINS

Zach Campana

"We got to play and that's what matters."

Nick Urato

"A season of dealing with adversity and learning from it."

Ryan Najemy

"Great athletes, great people."

Ben Chen

"I'm just thankful that we had the opportunity to play and compete this fall. Also wanted to give a special thanks to all the seniors and their dedication to the team."

"there aren't words to describe how grateful i am to have played for this program and with all of these amazing people. I will never forget all of the amazing memories with these ladies and i hope that this program can continue to grow once we're gone Thank you all so much!"
1) My favorite memory is probably the last game of the regular season last year. We played Bedford and we had to win if we wanted to get to playoffs. It was an amazing feeling to win with all my favorite people.
2) My favorite part of volleyball is the spontaneity. You never know what is really going to happen next. I also love the community that we make on our team. Everyone supports everyone else.
3) I think the hardest part of volleyball with covid is the fact that we can't high-five or huddle. In volleyball after every point the players come together on the court and it's a way to pick ourselves up or celebrate. We can't do that because of covid and it make volleyball feel a little incomplete.

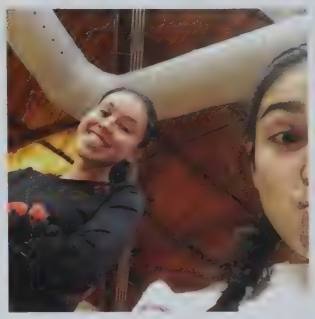
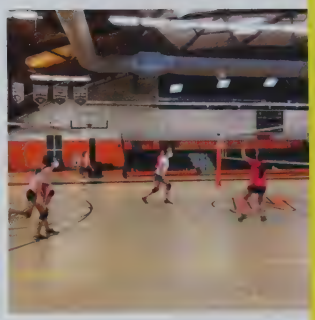
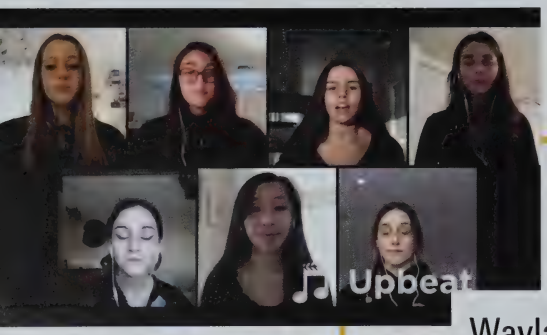
Senior Thank You

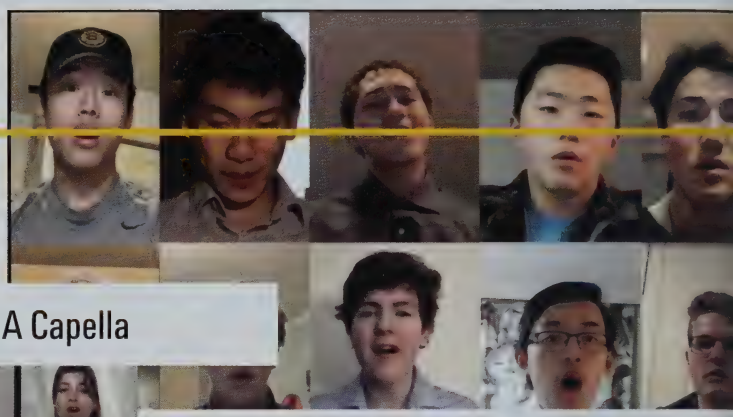
Thank you to the seniors who are on this team! The team will not be the same without you next year!
Good luck in college!





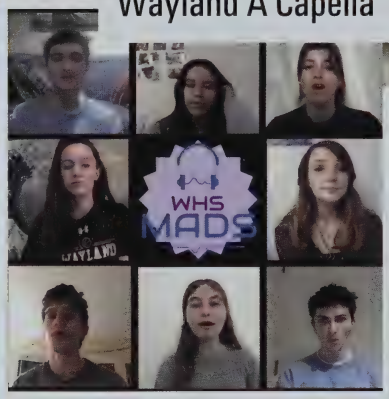
CAN YOU DIG IT?

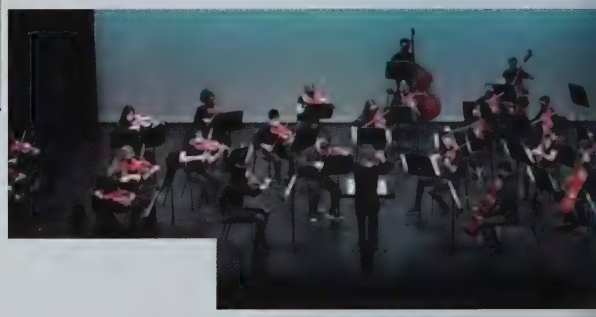




Wayland A Capella

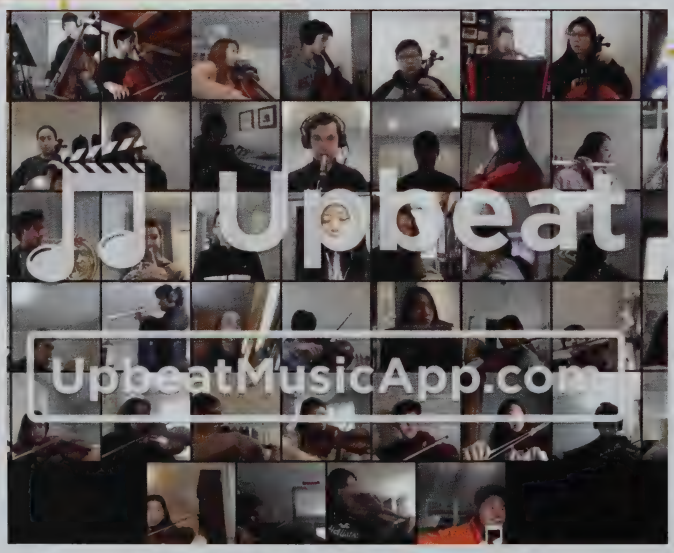
Wayland High School's three a cappella groups, the Muses, the Testostertones, and the Madrigals, will perform their annual A Cappella Concert during Winter Week.

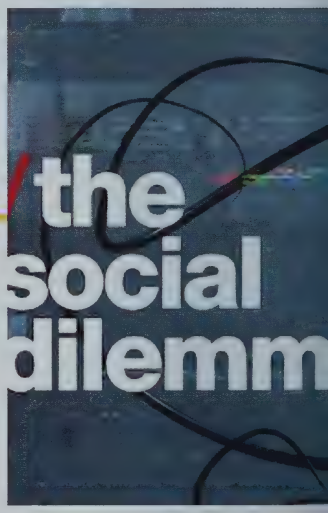


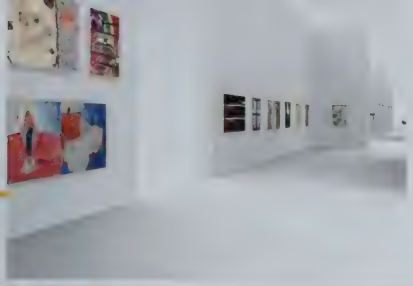


Orchestra

The WHS String Orchestra, Sinfonia Orchestra, and Full Orchestra will perform three pieces: Holst Seven Scottish Airs, Corelli Concerto Grosso, and American Landscape (Soon Hee Newbold).







The Wayland High School Fine Arts is proud to announce our annual winter art show! This year, it will be held virtually as an immersive online art gallery using the platform Kunstmatrix. Viewers will step right into our very own WHS art museum and see students' pieces displayed on the walls as they walk through the online gallery.

NAHS Art Exhibit

the show WON'T *go on like normal*

Window

Wayland High School's Window Dance Ensemble will perform their annual show live from the auditorium stage.

All School Film

This 2020 Netflix Original Documentary, which was an official selection at the Sundance Film Festival and has garnered acclaim from critics' circles across the country, is a wake-up call to anyone who uses social media. We hear from the former leaders at Facebook, Google, and Twitter, as well as scientists and researchers, about the way social media is designed to make us think and behave and the major implications for our mental health and even for our country's democracy. As "The Social Dilemma" states: "The technology that connects us also controls us."

I wear black disposable masks because they are way more fashionable than the blue ones and we have mask brackets that hold the mask away from our face while we run.

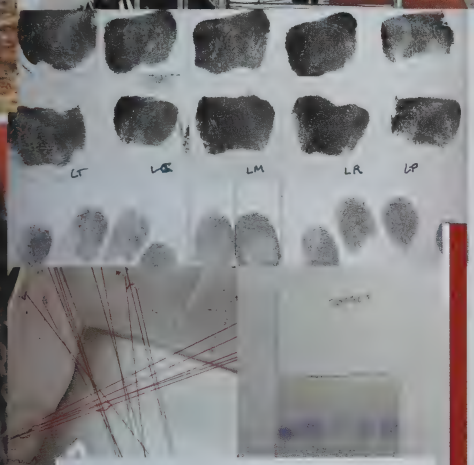
CONNECT PROGRAM
Ed DeHoratius & Erin Lehmann

Our goal in Connect is to get outside as much as possible. We have increased that commitment this year for health reasons, both physical and mental, so we've been outside this year on days last year when perhaps we might have deemed it too cold, wet, etc. We are also very focused on group cohesion, which is obviously difficult because of the cohorts, so many of the icebreaking and bonding activities we've done in previous years have looked different this year. The one change we can't avoid is the whole-group cohesion, i.e. we are pleased with the intra-cohort cohesion but have had little cross-cohort interaction, especially in person. In previous years, we have had back-to-back periods that give us two hours of time, two and a half if lunch is included, which gives us significant flexibility to go off campus and take field trips without students missing other classes. This year, we have less time (only 80 minutes, not even an hour and a half) and many of the trips we would normally take are not available to us this year. Our waste unit likely has the the consistently most popular field trips, one to Fireseed Arts, an art studio in Framingham to Harvey's in Westborough and last year to the Wayland transfer station. Neither of these trips could happen this year because of COVID restrictions.

WHAT YOU DON'T KNOW ABOUT OUR

JOURNALISM
Brian Keaney & Mary Barber

With nearly 50 class participants seated around work tables, JClass was a lively newsroom filled with comradery. This year, we are using two classrooms for each in-person cohort (12 students in each room), as well as Zooming in the at-home cohorts. We have been able to retain the usual class structure using a combination of Google Slides, Google Classroom, and Zoom. The biggest loss isn't curricular, it's social. Because all 45 of us can't be in one room at the same time, we don't have the same level of liveliness and interaction. The much beloved controlled chaos of JClass has been diminished to a quiet workspace, with students in rows, the educational equivalent of corporate cubicles. Providing individual feedback and guidance is tougher. Still, we have been so proud of the many class members who have persevered in creating quality content for WSPN.



WHSTE
Aiden O'Hara

A normal day would have included any thing from a rehearsal, to a Design meeting, to a Costume/Prop Closet organization session. Preparing and maintaining all the aspects of our theater company takes creativity and energy every day. During the school day, drama classes have definitely changed. We still spend quality time nurturing the class community and developing a safe environment for risk-taking, etc. It's challenging because typical classes would be so social, vocal and physical. It's been quirky to be in our own little Zoom box, and physically distant. I'm sure there a number of missed things or disappointments for our members. Particularly, it's disappointing that we cannot do Drama Festival with our one-act. We met so many drama kids from other schools, and we had a chance to host one of the rounds of festival too. It was an incredibly intense and fun experience. Other than that, I think the year will feel full and vibrant. I think of the Seniors often - I am so motivated to give them a year they will not forget.

FORENSICS
Kristin Cowell

This is a class like no other - we use skills from every science you take at WHS to explore the methods of crime scene investigation, and even work to solve a huge mystery. We work on labs nearly every day, while learning the techniques and science of forensics. Students especially enjoy some of the skills they learn that they might not see in a regular science class. While the hands-on lab portion isn't really doable this year, we are working together to make our virtual labs just as meaningful.

CLASS OF 2023

GOING PRO

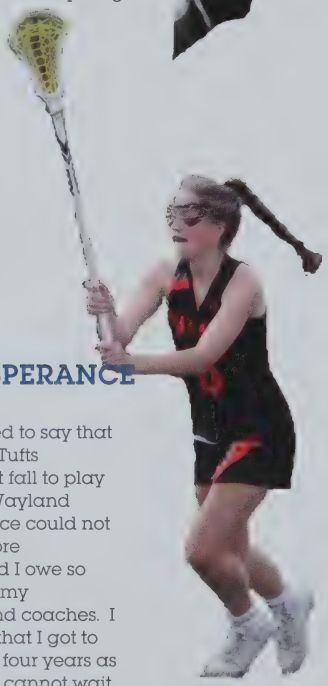
Take an inside look as to where some of the Class of 2021 athletes will be pursuing their athletic and academic careers and how the WHS sports community has guided them on their journey.

JAISON TUCKER

"Playing football at Wayland has been a great experience, I've met great people that really care about my future as a student athlete. And the family atmosphere that is generated throughout the program is very special. All my coaches have taught me valuable lessons as a man and as a player. These important life lessons will allow me to succeed in the future. If it wasn't for coaches Parseghian, Murtagh, Ralph, Bonner and Breslin I wouldn't be in the position to play football at East Coast Prep. Just want to say thank you Wayland for everything."

REMMI SHAW

"I will be attending the University of Loyola Maryland to swim for the Lady Hounds. Wayland sports have been a huge part of my success, in and out of the water, and I will be forever grateful for the memories and friendships I have created here for the past 13 years. Being a part of Wayland swimming has been one of the most mentally and physically rewarding opportunities in my life and I wouldn't trade the blood sweat and tears for anything. Being a part of a winning culture in Wayland has been great, but the people and memories along the way have been so much greater."



ELLA L'ESPERANCE

"I am so excited to say that I am going to Tufts University next fall to play lacrosse. My Wayland High experience could not have been more incredible, and I owe so much to all of my teammates and coaches. I am so happy that I got to spend the last four years as a warrior, and cannot wait to spend my next four as a Jumbo."

HILLA ALMOG

"I'll be diving next year at Bentley university, and I've got to thank the Wayland High School Swim & Dive team for helping me get to where I am. Years of training with the team, and the amazing coaches have helped me greatly. I'm excited to take the next step into college athletics!"

LIAM GILL

"I am committed to play golf at Seattle University . Not only has the Wayland High School sports community helped me through the last five years but the Wayland Community itself has helped me throughout my entire life become a better athlete and young man. Thank you so much to everyone who has helped me since day one!"

NICK DRESENS

"I will be playing football at Tufts University. The football coaches at the high school have been instrumental in helping me achieve this goal I have learned so much from every one of them and would like to thank them for helping me get to where I am now."

DYLAN DERUBEIS

"I will be attending Nichols College to play lacrosse for the next chapter of my life. Wayland sports has taught me a lot. It has taught me the importance of teamwork and how to create bonds with people. Along with that it has taught me to push me past my limits and that anything is possible if you put your mind to it."

DARCY FOREMAN

"I'll be rowing Division 1 at UMass Amherst. The Wayland athletic department has always been supportive of student athletes, and I'm so grateful that the Wayland High School community shares that excitement and support for their athletes. I was inspired by my past teammates that have gone on to row in college, and I would not have been recruited without their guidance and support. My coaches and teammates have always pushed me to work hard and love what I do, and I'm so excited to go on to row for another 4 years at UMass!"

"Being able to swim for Coach Foley and the Wayland High School team for the last four years has been a real honor. I could not be prouder to have been a part of the rich traditions and history of this program. The camaraderie throughout the season extends beyond the swimming pool, and I will always cherish the good times and memories I had with my teammates." - Jiming Xu

"I am so lucky to have been a part of such a great team for the past 4 years. Everyone is very supportive of each other no matter what, and I am so proud of what we have accomplished." - Juliette Smith

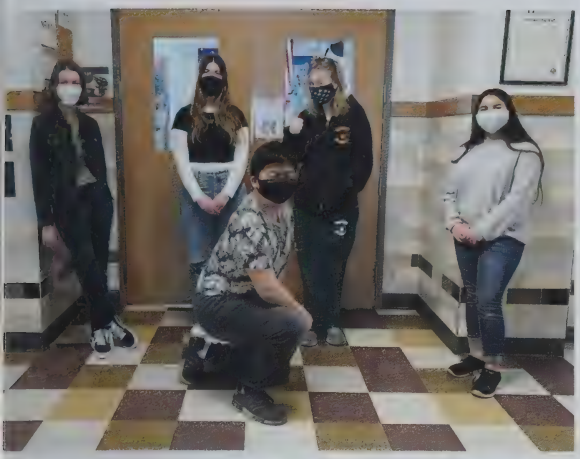
WHSTE SENIORS

My favorite WHSTE memory performing "Squirrel Girl Goes to College" with all my friends as Squirrel Girl herself at last year's METG prelims. We didn't even care about winning; we were all just happy to be sharing our theatre with others and have a blast doing it. The cherry on top was we actually did end up winning and our cast and crew (including myself) raked in a bunch of awards!

The part I'm going to miss most about WHSTE is the community. We have a very tight knit group. We have our regulars who do all the shows, students who do only the musical or the one-acts, and the people who may only do one show in their entire high school career. But once you do one show, you'll find that you'll always have friends here.

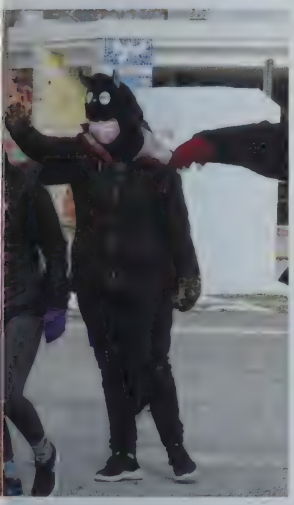
Backstage *stories*

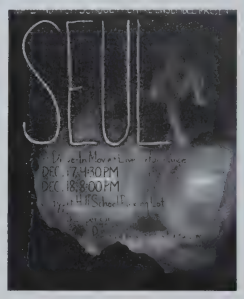
Students are preparing to put on the production Seul at Claypit Hill School.

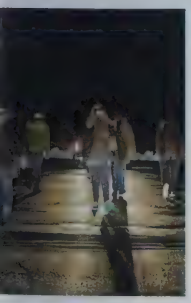


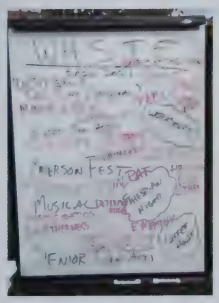
Theater life

This year, WHSTE put on Seul, a COVID friendly production.









Rowing this year was definitely unique, with a lot more small boat training and a lot less racing. We definitely made the best of it, and our team's ability to focus on singles and doubles has made for lots of fun, fast rowing

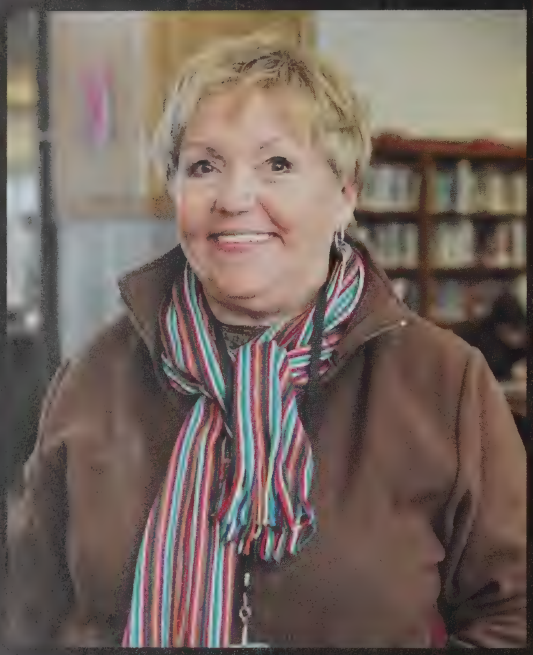
Media Center

at this POINT in TIME

Saying a "thank you" and "goodbye" to our beloved Media Center mavens.



Ms. Miller

Ms. Schmidt and I had some great times in the Media Center , some of them a bit crazy, but nonetheless some great memories. Our goal was to be a place to learn but also to be welcomed when kids needed some help or just a friendly face to say " Hey, how's it going?" I've always felt that kids don't care what you know till they know that you care.

Remmi Shaw

I will miss the infectious spirit Ms. Miller brought to the Media Center every day. No matter how my day was going o could count on her to make me smile or laugh at one of her jokes. She cared so deeply about our success and I will never forget how she would save articles she saw of me and others in the newspaper.

Josh Schreiber

I'll miss seeing Ms. Miller every day in the media center and talking to her about sports. She cared about all athletes and was very involved in Wayland Sports. Her spirit will be missed!

Sam Goldstone

Ms. Schmidt has made my time at the high school infinitely better. She's always been there for a good conversation about life, in and out of school. I'm so grateful for the absurd amount of work she's forced to put in to organize all logistics of AP tests. Above being a hard worker and kind soul, Ms. Schmidt has truly embodied what it means to be an empathetic, loving and nurturing friend and teacher.

Jenna Brandaleone

Ms. Schmidt is one of the most compassionate and caring staff members at WHS. She genuinely cares about the wellbeing of students and makes a point to check up on them. She has always gone above and beyond to make students happy, and I can't wait to visit her when coming back home.

Ms.Schmidt

Wayland High School's Library Media Center is the perfect place to end my 43 year career in libraries and education. During my eight years in Wayland, I have been given the opportunity to: Collaborate with the hardest working teachers and administrators EVER, meet the best, nicest, most well rounded high school students EVER, create a space that welcomed all students, provide helpful resources for projects (some of the memorable projects include ecosystems, agents of change, and The Freedom Prize Papers), and read with a faculty and a student Book Club. So many books, so little time!

"I'm getting ready in a couple different ways. I've been doing some private training with a few friends, going to practices, and playing in a lot of small sided scrimmages. I'm also going to a bunch of clinics all throughout March." -Deirdre Brown

"My wayland lacrosse family has been the most incredible group of people who I have learned so much from, and I hope I have contributed to helping them as well." -Ella L'esperance

Rings by Remmi

"I started Rings by Remmi as a way to de-stress and it quickly became a business. Currently I'm using Instagram as my main platform and everything is made to order. I love creating new pieces and seeing the interest from my classmates and people all across the country. It is so exciting to see my hobby transforming into a business. Seeing people wearing things that I made by hand is the best feeling." Remmi Shaw (12)

STEMS Wayland

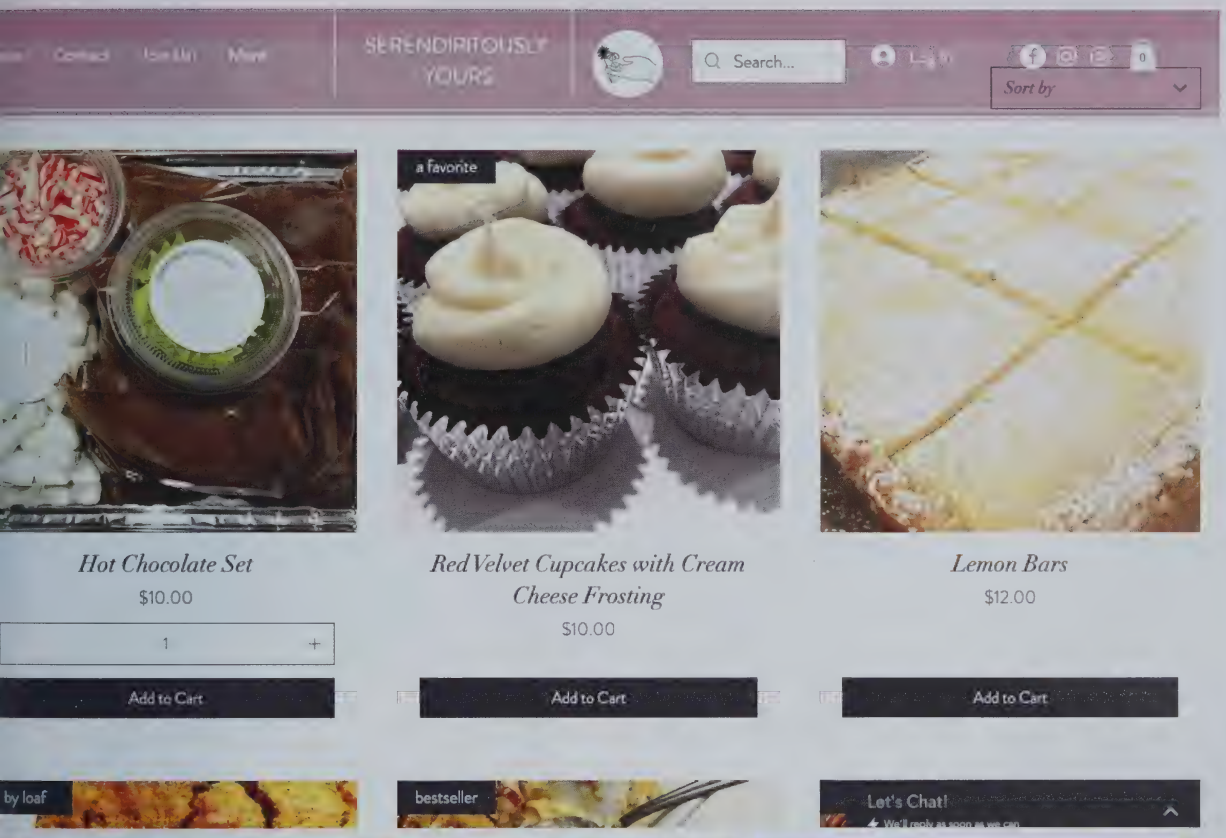
"We will be selling approximately 400 dozen tulips over eight weeks in the spring. Our goal is to make a significant profit of which the four of us will share. We're learning about expenses, cost decisions, weather variables, inventory, capital, cost marketing, social media, public relations, and all aspects of starting a business." Cassie McGonagle (12)

Wayland Student Athletes:

"Our friend group wanted to make a business during late quarantine to make some money and help out the community. We can tutor people, do yardwork, sports, lessons, or any other random jobs." Brian Grasso (12)

MAKING OUR MARK

STUDENTS LAUNCH UNIQUE BUSINESSES

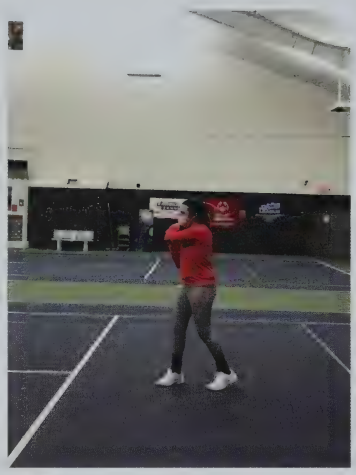


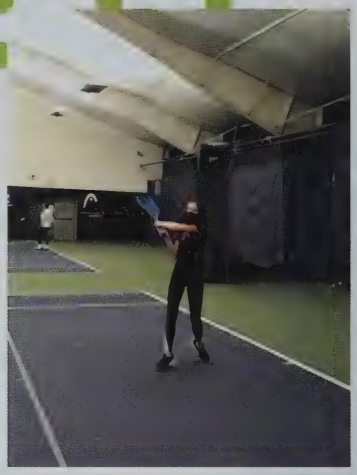
Serendipitously yours:

"For years I've been passionate about cooking, baking, drawing, and the arts in general. The current situations throughout the world have inspired me to create 'Serendipitously Yours' so I will be able to do what I love while also contributing to numerous organizations. Helping the world become a little better."

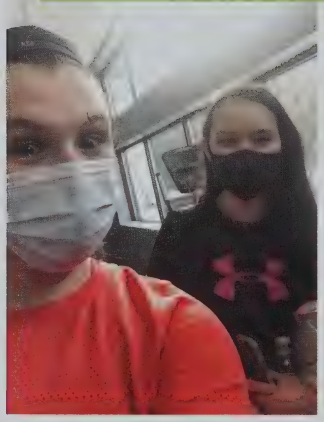
– Maisie Xu (12)

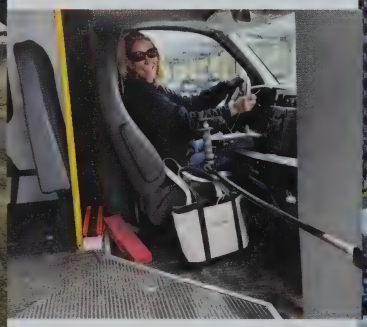
COVID Modifications
Face Coverings are required
Each team must provide tennis balls for warm-up
use different numbered tennis balls on adjacent courts
Mark court number on balls
No tennis balls from other courts should be touched by hand
Players must use hand sanitizer before the match and in between
Practice in pods
Tap racquets in place of handsnake
Only home team will touch scorecards





It's all about LOVE





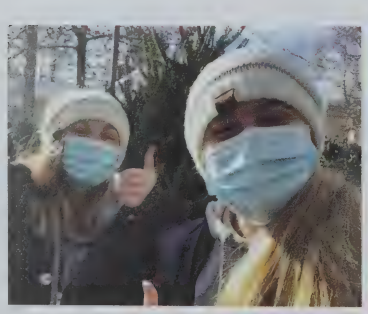
Serving it up every day

"I wanted to contribute to Dignity Matters because, especially in Covid times, low income and disadvantaged people can often times be overlooked. The charity helps women receive undergarments and feminine products like pads and tampons. Dignity Matters is an extension of the work I have been doing with Birthday Wishes, and I am very excited to help this target community in a different way. Dignity Matters is extremely important because women who receive food stamps cannot usually afford feminine products, for food stamps do not cover these essential items. I truly cannot imagine how stressful and embarrassing it would be to not have these feminine products going back to school or work"
- Jenna Brandaleone (12)

"I volunteer with the chickens and the rabbits at Land's Sake farm- I feed them, give them water and clean their cages. I started volunteering because I had been going to the farm fo all my life and I wanted to help take care of the animals."
Lara Bencsics (12)

THE URGE TO HELP

STUDENTS WASTE NO TIME TO HELP WHERE NEEDED



Member of Interact volunteer during Rotary holiday tree fundraiser

I greeted visitors, led orientation, answered questions, and worked with visiting camp and school groups to encourage civil discourse and civic engagement.- Victoria Andreasen (12)

Once we complete them, we are planning to donate them to a local homeless shelter in Boston. Alina and I decided to do this project because we thought it would be a great way to help stop the spread of the virus from home, and we have learned a lot about sewing while doing so!
Jack McCahan and Alina Potashinsky (12)

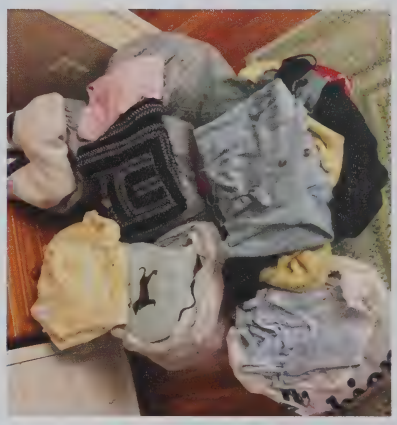
it's all about DRIVE

Students participating in community service

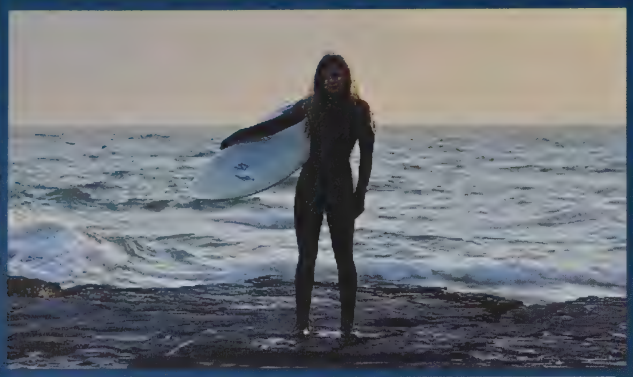
"I chose to run a care package drive for health care providers during the COVID-19 pandemic out of appreciation for their endless work and commitment to helping others. I knew that they were experiencing a very scary side of medicine yet to be explored, which took both a physical and mental toll on them which is why I wanted to provide them with any relief within my capabilities. With the help of my community, we collected toiletries and other essentials they may need while a working long shifts and packaged them into personal care packages." Emmie O'Shaughnessy (12)

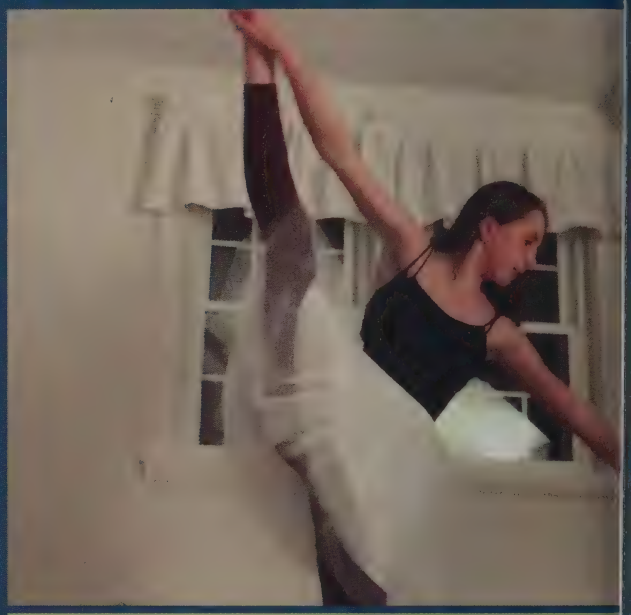
sew FASHIONABLE

"I started the Philanthropy club as a freshman because I love helping my community, and I wanted to create a way to help other high school students learn how to help our community and provide a place where they could become philanthropically involved in their community. This February, the Philanthropy club was able to collect seven full bags of clothes to donate to people in need. During the pandemic especially, we wanted to help our community." Maya Lee (10)



"I started volunteering as a coach for the Boston Renegades Beep baseball team because it was my way of helping people who wouldn't normally be able to play the game that I love. Coaching for the Renegades has been an amazing experience, and it's been really incredible to get a feel for what the players are capable of despite being visually impaired." Josh Schreiber, (12)





ME: Tess Heilman, Senior

I've been surfing for about a year and I love getting up at 6am to surf in the winter with some friends while the sun is rising. The surfing community has been super fun and friendly, and I love being able to meet new people on the water. I also love that it's a COVID safe activity as it's extremely hard to surf a wave with someone right next to you surfing as well.

ME: Will Munroe, Senior

I've been fishing for longer than I can remember. Fishing is one of my favorite things to do because it is a fun way to see the world. I have been lucky enough to fish in the shadows of glaciers and in the canals of the everglades.

ME: Olivia Rubin, Sophomore

I started riding 10 years ago around the age of 6 when my friend wanted me to do an equine based summer camp with her. My favorite thing about horseback riding is how it allows you to not only be competitive with others, but also yourself. There is always more to learn and things to accomplish. I also love the relationship you make with the horses and how each horse has a unique way they like to preform.

ME: Julia Shields, Freshman

I started dancing when I was two years old. I have been dancing ever since and now I do ballet, jazz, modern, pointe, and a student run group at my studio that does most styles. Dance really relieves stress for me, especially with COVID, not being able to see my friends as much, and just starting high school. I can really just turn on any song and be able to let everything go and express myself. love to dance because it makes me happy .

BRINGING OUT THE BEST IN ME

Students share their endeavors outside of school

ME: Prashanth Subbiah, Sophomore

I started fencing when I was in third grade when it was featured on PBS. I really enjoy it because of the mix of physical and mental challenges some call it "Physical Chess" because of the importance of strategy. I have made some of my favorite memories and best friends through Fencing in the last eight years.

ME: Cassie Cardoso, Senior

For 14 years of my life, I've used the methods of ballet, jazz, modern, and hip hop as my greatest stress reliever. I get to use those hours I have in the dance studio, every day, to escape from my biggest worries from life. Not only that, but I get to spend that time with people I've known and grown with. Dance has its struggles and difficulties, don't get me wrong, but despite all that, I can't help but to keep coming back. This is the one thing I've been able to find that makes me feel a real sense of passion, and I am forever grateful for the light brought into my life.

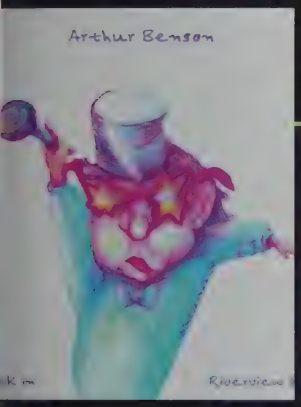
QUARANTINE 2021 PLAYLIST

STUDENTS DESCRIBE THEIR FAVORITE SONGS TO LISTEN TO WHILE STUCK AT HOME

Cal Russell ('21)
Waterfalls Coming Out Your Mouth by Glass Animals

"Glass Animals actually released a new album in August, and it was really exciting because I'm a huge fan of their stuff. 'Waterfalls Coming Out Your Mouth' was my favorite song from the new album, 'Dreamland', and I've been listening to it on repeat since August 7th!

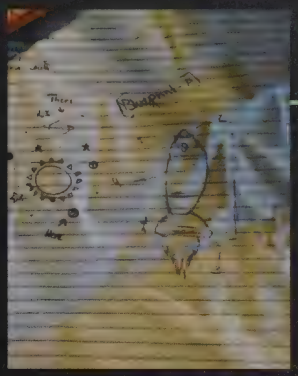


Jason Luc ('22)
Simple Pleasantries by Arthur Benson

"It reminds me of moments with friends that I consider to be funny. It's also my 'theme' song that plays in the background of my mind."

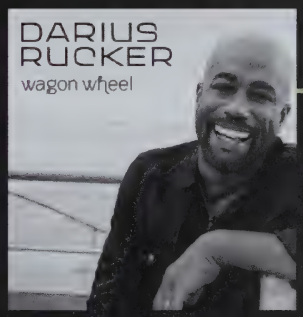
Alex D'Amico ('21)
Good News by Mac Miller

"It reminds me of when it started to get warm in the spring, and I listened to it a lot outside or at the beach, so it brings back the good memories of quarantine."



Elliot Mee ('22)
Interstellar by Kuzu Mellow

"The artist is a very small one, not having many streams on Spotify. I found this song one day when I was building a playlist, and I fell in love with it."



Eleanor Brogan ('24)
Wagon Wheel by Darius Rucker

"It's a family favorite and just makes me happy whenever I hear it playing, like the world hasn't been in a global pandemic for the past nine months."

Alexei Rjanikov ('22)
New Magic Wand by Tyler the Creator

"It has creativity and raw emotion not found elsewhere in the genre."

SENIOR WILL

We, the Class of 2021 of Wayland High School, members of the Middlesex County, Commonwealth of Massachusetts, fifth Congressional District of Massachusetts, greatest suburb in all of the world, declare the hereafter mentioned to be our ultimate will and epistle, fully understanding of the nature and extent of all our property and of this disposition thereof, do hereby make, publish, and declare this document to be our Last Will and Testament to Wayland High School, and hereby revoke and any and all other wills heretofore made by us.

I. To Dr. Mizoguchi, Ms. Cole, and Mr. Gass, the wonderful leaders of our school, in appreciation of their warming welcomes into school, we bequeath "a sigh of relief" at our departure.
II. To the office administration, we bequeath an address book of all of the seniors for all of our "broken alarm clocks" during Wednesday advisories.
III. To the science department, we bequeath unlimited Crash Course videos that carried us throughout the past 4 years.
IV. To the math department, we bequeath an apology note for all of our "missing" and borrowed calculators.
V. To the English department, we bequeath the hundreds of lost books stuffed underneath our beds and dressers.
VI. To the history department, we bequeath a joke, "Where was the Declaration of Independence signed? At the bottom!"
VIII. To the language department, we bequeath a one-way ticket to your desired destination, for all of the lost school trips due to the coronavirus.
IX. To the wellness department, we bequeath a bucket of golf and tennis balls for all of the ones we lost in the woods as underclassmen.
X. To the media center, we bequeath all of our Starbucks and Dunkin' drinks that have missed their home outside the window sill of the LMC.
XI. To our class president, Sam Goldstone, we bequeath a trophy titled "Least Motivated, yet somehow most Effective Class President in the history of WHS."
XII. To our other class officers, we bequeath a participation award due to the COVID-19-caused failure of our beloved prom.
XIII. To Elizabeth Zhong and Porter Moody, we bequeath our full support and votes for you to run as the United States President & Vice President #zhongmoody2040.
XIV. To the junior class, Class of 2022, we bequeath the sacred senior parking spots and the ability to rule the school.
XV. To the sophomore class, Class of 2023, we bequeath the privilege to be an upperclassmen and the right to leave campus during frees (if granted by administration).
XVI. To the freshman class, Class of 2024, we bequeath the upcoming fear of PSAT's, standardizing testing, and the privilege to sleep in during morning frees.
XVII. To the entire faculty of WHS, we bequeath a (hopefully) relaxing summer, and our largest gratitude for dealing with our jokes, late assignments, and never ending questions about your personal lives.
XVIII. To our peers in Class of 2021, we bequeath a book titled "Adulting 101" to help us navigate our way through the terrifying real world.
XIX. To COVID-19, we bequeath absolutely nothing, because you are the absolute worst and have troubled us greatly.

The foregoing instrument was signed, sealed, and declared by the Class of 2021, the above named to be such Last Will and Testament in our presence, all being at the same time, and we, at such's request and in the presence of each other, have subscribed our names as witnesses, and we hereby have provided the disposition of our material and possessions.

Signed, the Class of 2021,

Witnesses to the above stated:
Ellie Tyler & Meredith Prince

a **final** thank you. . .

Dear Class of 2021 Advisers, from the bottom of our hearts we want to thank you for the countless hours, the consistent effort and dedication, and the true passion you have put into supporting our class. Whether it be Mrs. Barber knowing every single person who walks into the dump during the Krispy Kreme fundraiser, Dr. Friedlander's detailed inspection of fundraiser forms, or Mrs. Imbornone's elaborate bulletins to the parent newsletter, we've felt your constant support firsthand. Through these unprecedented times, you have continued to back our class, and we are so grateful for all 3 of you. Hopefully you all get to plan a prom that actually happens soon...

Love, the Class of 2021

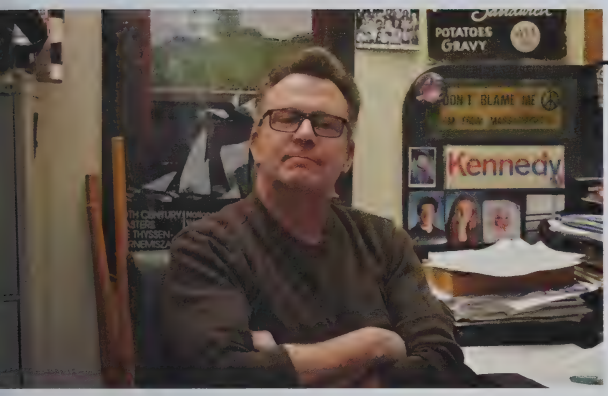
...and goodbye

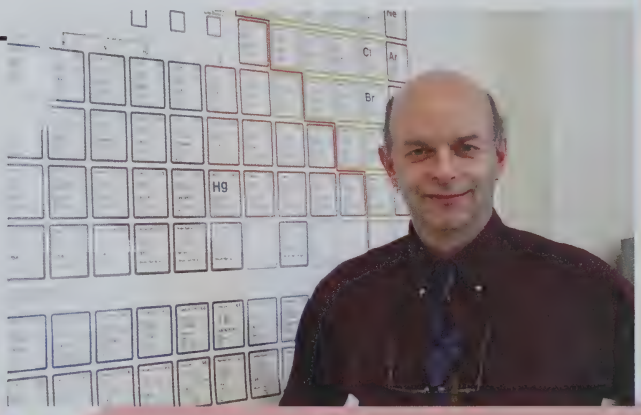


Mr. Delaney

Mr. Delaney first joined the WHS staff in 1992, and 29 years later has made an exponential impact on the Wayland community. Through his efforts as the history department head, and a teacher of a variety of history classes and electives, Mr. Delaney has successfully cultivated a well-educated and friendly community within the Wayland history department. An educator adored by many, Mr. Delaney will leave an indelible mark on WHS with his tireless efforts, motivation, and true passion for teaching and building generations of passionate students. The entire WHS community cannot express enough gratitude for Mr. Delaney and his incredible work in our school.

Mr. Chandler

Mr. Chandler began teaching at WHS in 1991, and has significantly influenced a positive and educational environment within the school walls. Mr. Chandler has had a long storied career at WHS. In his years here, he has taught all the levels of chemistry WHS offers as well as offering a course in Meteorology for a number of years. His passion for science and education came through in everything he did. His sense of humor, compassion for students, rigor of instruction, focus on student learning, and never-ending curiosity about advances in science are some of the things we will miss most about him. Mr. Chandler's passion, devotion, and endless jokes will be dearly missed by the Wayland community. Thank you for your unwavering support and effort to WHS!



Ms. Schmidt

Ms. Schmidt, who joined the WHS staff in 2013, and Ms. Miller, a media center veteran who joined WHS in1991, have both fostered a welcoming and safe environment through their contributions in the Library Media Center. Check out the Media Center pages (164-5) for more information on these wonderful media center advisers who will be missed by the WHS community dearly.

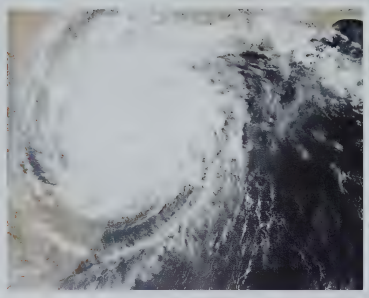
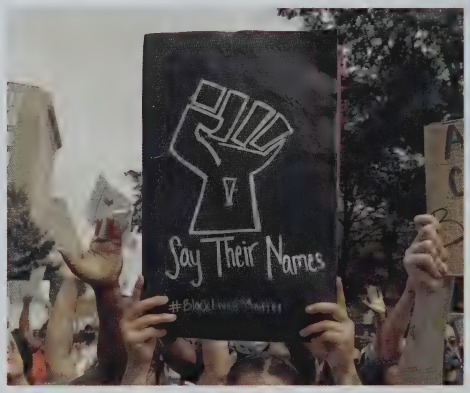
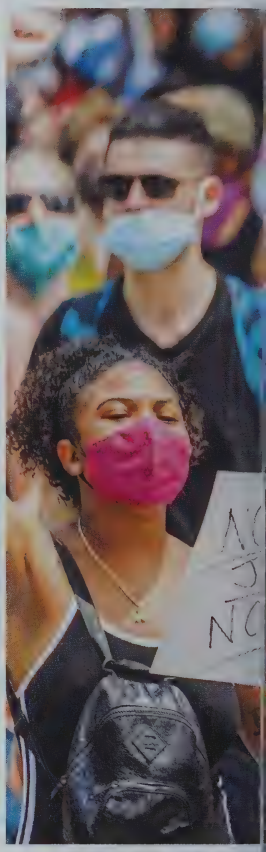
WAYLAND HIGH SCHOOL • WAYLAND, MASSACHUSETTS •



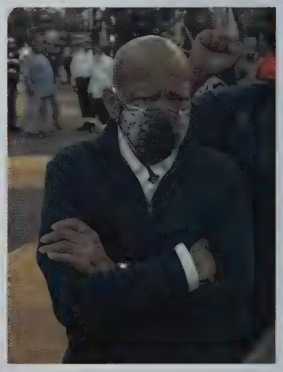
THE DEATH OF GEORGE FLOYD, a 46-year-old Black man in Minneapolis, set off a summer of unrest and clashes between protesters and police. After a convenience store employee called 911 to say Floyd passed a counterfeit $20 bill, police detained him with an officer kneeling on his neck for more than eight minutes as Floyd repeatedly said he couldn't breathe. Floyd died as a result. **"SAY THEIR NAMES"** became a rallying cry as protesters took to the streets beginning in late May. A series of Black deaths at the hands of police sparked demonstrations across the nation. **A BROADER MOVEMENT**, Black Lives Matter, and an examination of systematic racism in America emerged from the death of George Floyd. Demonstrators toppled statues of Confederate figures, NASCAR banned any display of the Confederate flag and Asheville (NC) City Council voted in support of community reparations for Black Asheville. Brands like Aunt Jemima and Uncle Ben's and sports teams such as the Washington Redskins took steps to change their names. **IN THE MIDST OF THE BLM MOVEMENT**, Georgia Representative John Lewis died of pancreatic cancer in mid-July. Lewis, the son of sharecroppers, was the last surviving speaker from the 1963 March on Washington where Martin Luther King, Jr. delivered his famous "I Have a Dream" speech. Before his funeral and burial in Atlanta, he was honored in Selma, Alabama, where he grew up.





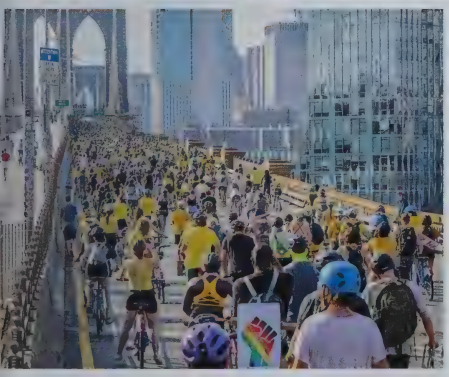
ENTERTAINING RELEASES

INTRODUCING A DIFFERENT VIBE, Taylor Swift dropped a surprise record "Folklore" in July, her eighth studio album. Driven by piano and guitar, the songs are more mellow than her previous work. Selling two million copies in the first week, it set a Guinness World Record for the biggest opening day for an album by a female artist on Spotify. **QUEEN BEY MADE NEWS** with the release of "Black is King" on July 31. Beyoncé's musical film and visual album got its inspiration from "The Lion King: The Gift," an album she recorded after voicing Nala in Disney's remake. "Black is King" focuses on a young African king who is cast out as a baby and returns to reclaim his throne as an adult.



NATURE ON A RAMPAGE

ALTHOUGH THE ATLANTIC HURRICANE SEASON didn't start until June 1, two named tropical storms developed in May, brushing the Carolina coasts. The first hurricane of the season, Hanna, hit Padre Island, Texas, July 25, followed by Isaias which hugged the coasts of Florida and Georgia before making landfall in North Carolina. **EXTREME HEAT ALONG THE WEST COAST** created a ripe environment for wildfires that spanned from Washington through California and into Arizona. Fires started in Washington in April, continuing through the summer. In Oregon, fires caused Portland to have the worst air quality on earth. California had its largest wildfire season in history, burning more that four million acres and destroying more than 9,000 structures.



THOUSANDS OF PEOPLE participated in a march across the Brooklyn Bridge, closing it down, on July 25. The march condemned the use of federal troops to curb protesters in Portland, Oregon. Demonstrations, mostly peaceful, in support of Black Lives Matter and justice for George Floyd and others continued throughout the summer in cities across the country.

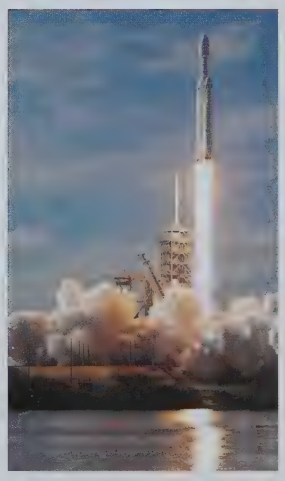
ANYONE HUNGRY?

MOST SUMMER SPORTS were effectively ended by COVID-19. The French Open and Kentucky Derby both moved to September and baseball season was shortened. But Nathan's Famous hot dog eating contest, a Fourth of July tradition, endured. Joey Chestnut won for the 13th time, downing 75 hot dogs in 10 minutes. Miki Sudo captured the women's prize, eating 48.5.

ONE BIG BUG

WILDFIRES, RECORD HEAT, TORNADOES — then came the murder hornets, making their first appearance in the Pacific Northwest in the spring and spotted elsewhere through the summer. The Asian giant hornet, which can grow to two inches, kills up to 50 people in Japan each year and poses a threat to honeybees. Researchers hoped to eradicate them before they become established.

3 ... 2 ... 1 ... BLASTOFF



SPACEX, A PRIVATE SPACE COMPANY founded by Elon Musk, launched two NASA astronauts into space on its Falcon 9 rocket on May 30. This marked the first time NASA launched its own astronauts in nearly a decade. Since 2011, US astronauts had been sent into space on Russian rockets. While Falcon 9 returned to earth, Crew Dragon carried Bob Behnken and Doug Hurly to the International Space Station where they were scheduled to spend several months.

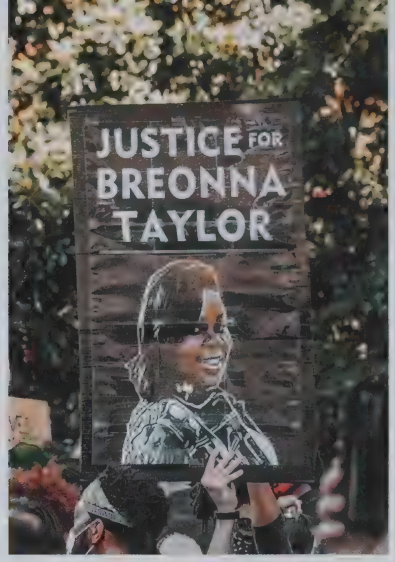
GOODBYE, NOTORIOUS RBG

SUPREME COURT JUSTICE Ruth Bader Ginsburg died on Sept. 18 at the age of 87. Despite battling multiple forms of cancer for a number of years, she continued to work on the Court until the time of her death. Ginsburg served 27 years on the nation's highest court. Her law career started in the 1970s when she led the fight in the courts for gender equality. In 1993, Bill Clinton nominated her as the second woman on the Supreme Court where she continued to champion women's rights. During her years on the court, she became a role model for women of all ages. She was the subject of a documentary, a biopic and an operetta, earning the moniker "Notorious RBG." After lying in repose outside the Supreme Court, she became the first woman to lie in state at the United States Capitol.

FANS REACTED WITH SHOCK at the news that Chadwick Boseman, the star of "Black Panther," had died at the age of 43 on Aug. 29. Boseman had been diagnosed with colon cancer four years earlier. He had not publicly revealed the diagnosis, undergoing surgeries and chemotherapy while continuing to act. A Howard University graduate from South Carolina, he had played small roles on television until his portrayal of Jackie Robinson opposite Harrison Ford in the movie "42" made him a star. In addition to Black Panther and Robinson, he also starred as James Brown and Thurgood Marshall.

BTS's SINGLE "DYNAMITE" became the first video watched more than 100 million times in 24 hours on YouTube. The seven-member boy band from South Korea debuted in 2013 as a hip-hop group, but it wasn't until 2017 that they led the K-pop movement into the U.S., breaking numerous sales records.

CARS RACED in front of empty stands at the Indy 500 on Aug. 23. COVID-19 forced the delay from May 24 and caused race organizers to prohibit fans. Takumo Sato took the checkered flag for the second time, with the last five laps run under a caution due to a crash. **THE EMMY AWARDS,** hosted by Jimmy Kimmel, took place virtually on Sept. 20. Kimmel hosted from the Staples Center in Los Angeles with winners giving speeches from their homes. "Schitt's Creek" became the first comedy or drama series to win all four main acting categories in a single year. The show, created by and starring Eugene Levy and his son Dan, also became the first series to win all seven major awards in a single year, sweeping the awards with nine total. **LADY GAGA TOOK HOME** Artist of the Year honors at the MTV Video Music Awards on Aug. 20. She also won the first-ever Tricon Award which honors a highly accomplished artist across three disciplines. Keke Palmer hosted the show featuring mostly pre-recorded performances. Other winners included The Weekend for Video of the Year and BTS for Best Group. The show was dedicated to Chadwick Boseman who had died two days before.



UNREST IN LOUISVILLE

TENSIONS CONTINUED to run high in Louisville, Kentucky, when a grand jury convened in the death of Breonna Taylor indicted only one police officer for wanton endangerment for firing into a neighbor's apartment. No one was charged in Taylor's death. Taylor, a 26-year-old Black EMT, was shot and killed in her apartment when police served a search warrant in March. A judge granted the warrant based on the belief that a former boyfriend had received packages of drugs at Taylor's address. Taylor and her current boyfriend were asleep when police broke down their door. Although the officers involved say they announced, some witnesses and Taylor's boyfriend deny that. The boyfriend, not knowing who was breaking in, fired one shot. Police returned fire, hitting Taylor multiple times. Controversy continued over a possible cover-up and whether the grand jury had been given all the evidence by the district attorney.

NATURE NOTES

WRANGLERS REMOVED 5,000 pythons from the Florida Everglades. Volusia County, on Florida's Atlantic Coast, saw its fourth shark attack of the year. West Virginia battled zombie cicadas under the influence of a psychedelic fungus that caused them to infect other insects. On a lighter note: Mei Xiang, a 22-year-old giant panda at the National Zoo in Washington D.C. gave birth to a cub on Aug. 21.

WILD, WILD WEATHER

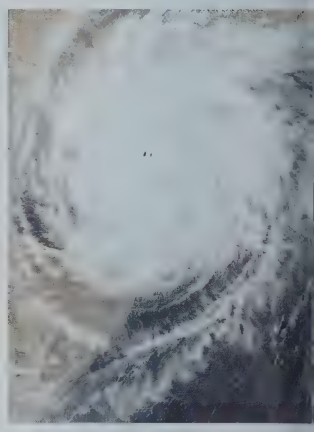
A STATE OF EMERGENCY was declared in California when wildfires caused by lightning, record heat and winds burned across the state. More than 40 significant wildfires began there in August and September. On Aug. 4, Hurricane Isaias made landfall in North Carolina and, before month's end, Hurricane Laura hit Louisiana as a Category 4 with winds so strong they reversed the flow of the Mississippi River. Even the Midwest was not spared the wrath of Mother Nature as a derecho with 125-mph winds flattened fields, uprooted trees and spawned 21 tornados along a 700-mile stretch as it moved through seven states and into southern Ontario.

TAKING THE TITLE

THE LOS ANGELES DODGERS won their first World Series in 32 years on Oct. 20, beating the Tampa Bay Rays 8-3 in Game 6. The 60-game regular season was the shortest in history due to the pandemic, but it led to the longest post-season on record with 16 teams competing. LA shortstop Corey Seager was named World Series MVP. Game 6 set a record for the most strikeouts, and the Dodgers used seven pitchers — the most ever used by a winning team in a nine-inning clincher.

MOTHER NATURE PERSISTS

NATURAL DISASTERS CONTINUED to make news through the fall. California was plagued by wildfires since early spring. The Glass Fire burned through Napa and Sonoma counties, destroying 67,484 acres, including a number of vineyards, and forcing the evacuation of at least 68,000 residents before the blaze was fully contained on Oct. 20. The coast of Louisiana took yet another hit as Hurricane Zeta made landfall as a Category 2 late in October. The 2020 hurricane season saw a record-breaking 30 named storms, including six major hurricanes. An average season had 12 named storms and three major hurricanes. Twelve of the storms in 2020 made landfall in the continental United States. The season marked only the second time in history that the Greek alphabet had to be used to name storms.



IN THE MUSIC WORLD, singer/songwriter Eric Church was named Artist of the Year at the Country Music Awards, and the American Music Awards bestowed the same honor on Taylor Swift. When the Grammy nominations were announced, Beyoncé set a record with nine, while Swift, Roddy Ricch and Dua Lipa garnered six nominations each.

"JEOPARDY!" HOST ALEX TREBEK, who announced his diagnosis of stage 4 pancreatic cancer in March 2019, died Nov. 8 at the age of 80. He taped his final appearance as host on Oct. 29. Trebek hosted the TV show for 37 seasons. Ken Jennings, the highest money winner in game show history, served as the first of several interim hosts while the network sought a new permanent host. October also marked the deaths of rocker Eddie Van Halen and Scottish actor Sean Connery, the original James Bond.

MAJOR MILESTONES

OCTOBER/NOVEMBER UPDATES

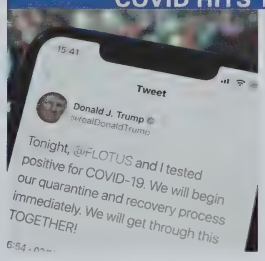
DELAYED RESULTS

THE PRESIDENTIAL ELECTION took place on Nov. 3, and voters turned out in record numbers. The results were close enough that several states could not be called. On Nov. 7, Joe Biden reached the required number of 270 electoral votes and became the president-elect. He and vice president-elect Kamala Harris addressed the nation that night.

NO FANS LOOKED ON as Dustin Johnson won the Masters golf tournament with the lowest score in the history of the tournament. Pandemic concerns created a one-of-a-kind Masters: No spectators, no ropes and only one guest for each player. Johnson finished 20-under at 268 with only four bogeys in 72 holes, another record. Tiger Woods, the defending champion, helped him put on his green jacket.

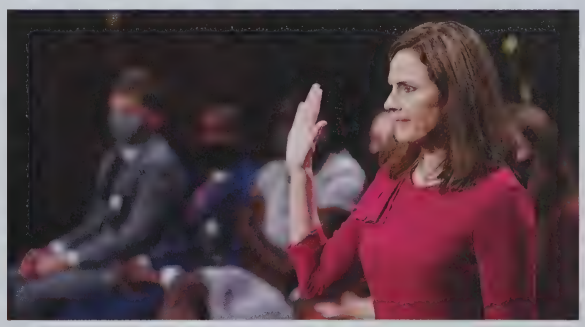
THE ROCK AND ROLL HALL OF FAME welcomed a new group of inductees on Nov. 7. Honorees included The Doobie Brothers (pictured), Depeche Mode, Whitney Houston, Nine Inch Nails, The Notorious B.I.G. and T. Rex. The ceremony was broadcast on HBO after the live ceremony, scheduled for May 2, was cancelled due to the pandemic.

COVID HITS THE WHITE HOUSE



PRESIDENT TRUMP sent a tweet on Oct. 2 announcing he had tested positive for COVID-19. He was hospitalized later that day at Walter Reed National Military Medical Center following a dip in his oxygen levels. He returned to the White House three days later after receiving an experimental drug cocktail. The First Lady and son, Barron, also tested positive and quarantined at the White House.

NEW JUSTICE



WITH THE DEATH of Supreme Court Justice Ruth Bader Ginsberg in September, President Trump nominated Amy Coney Barrett to fill the vacancy. Democrats argued that the position should not be filled before the presidential election, but on Oct. 26, Barrett was confirmed with a 52-48 vote in the Republican-led Senate. The vote marked the first in modern times with no support from the minority party. Barrett, who once clerked for Justice Antonin Scalia, was a professor at the University of Notre Dame Law School for 15 years before her appointment to the 7th US Circuit Court of Appeals in 2017.
